Update 'Palace Ave Church Community Hub'

Our first attempt of funding from Reaching Communities was not successful. However this round of funding was swamped with applications from projects in Torbay, but the funding officer is offering a follow up meeting at the end of April, to go through their criteria with our application to see what we can do. Meanwhile our own fundraising is doing well and we have some interest from other funders for later in the year.

The Sum Up machine will be available on Sunday mornings at PA for card donations should you prefer.
