Rev Jeff's Message – Community and Prayer

A gathering of children were once asked “What is the most common sign that you see outside of a church?” One answered the minister “Slimming World meet here.” I am pleased when our premises are used by the local community as for too long church buildings were only open for a couple of hours on a Sunday. However, we are so much more than a village hall with a worship area! Jesus was offended when he saw the temple was not the “House of Prayer for the nations” that God wanted it to be. It is a great encouragement that a Bible Study has begun, and I would love to think that many of our congregation will come to participate in this new venture. We need a strong spiritual heartbeat for our church and drawing closer to God through Bible Study and prayer is an obvious way to achieve this. It is only a couple of weeks ago since we celebrated Pentecost and the birth of the church. The world was changed by that small group of devoted disciples who prayed, studied God's word and shared a Godly life. What a difference we could make to **Shiphay** in our own humble way when we seek first the Kingdom of God.
